

COVID-19 Vaccination Clinics update June 2023

After 30 June, the COVID-19 vaccine will only be offered to those at higher risk of serious infection.

People **aged five or above** (on 31 August 2023) can still get their first or second COVID-19 vaccines until 30 June. People **aged 75** or above, or those with a weakened immune system, can get their spring COVID-19 vaccine until 30 June.
